

Fore Kicks Partners with MyCalet

Electronic Delivery of Schedules and Game Updates
to Your Personal Calendar

MyCalet is an electronic calendar application that will automatically distribute your Fore Kicks schedule and any relevant updates to your computer throughout the season. Through our partnership, Fore Kicks has arranged to provide the MyCalet services to you and your team members as a **no cost** benefit of being a Fore Kicks customer. Benefits include:

- A FREE electronic calendar application for you and your team members
- All Fore Kicks schedules are available to choose from for automatic posting to your own calendar
- Automatic daily updates and email alerts for schedule changes sent to you and subscribed team members
- Game score notifications for each game
- Hyperlinks to the Fore Kicks standings webpage
- Easily create new team event calendars for your own team practices/events
- Free access to additional calendar content you select including local events and professional sport teams.
- Integration with iPhones and iPads
