

Fore Kicks Zero Tolerance Policy

Coach, Player, and Spectator Behavior

Fore Kicks is strongly committed to promoting good sportsmanship and a positive, safe environment for all of our participants and spectators to enjoy. We believe that violent or abusive behavior is never justified in organized sports and will not be tolerated in any manner in our facility. Strong disciplinary action will be taken to enforce this policy.

All individuals responsible for a team and all spectators shall support the referee. Failure to do so will undermine the referee's authority and has the potential of creating a hostile environment for the players, the referee, and all the other participants and spectators. Consequently, Fore Kicks has adopted the following referee Zero Tolerance Policy:

- No one, except the players, are to speak to the referee during or after the game. Exceptions: Coaches may ask questions before the game, point out emergencies during the game, or respond to the referee if addressed.
- Absolutely no disputing calls, during or after the game, no remarks to the referee to watch certain players or attend to rough play. NO YELLING at the referee, EVER, and no criticism, sarcasm, harassment, intimidation, or feedback of any kind during or after the game.
- Violators may be ejected from the field and are subject to disciplinary action and permanent ejection from the facility.
- If coaches or spectators have questions regarding particular calls, rules, or a referee, or wish to give feedback regarding a referee, please contact the main desk or an on-site Fore Kicks' Program Manager.

Note: ForeKicks is a fully video monitored facility. All activity on and around the playing surfaces is constantly taped for review.
